Praye after winning the Nescafe African revelation became huge stars and till date holds a record of the most sold album in the history of Ghanaian music. According to our research, Praye's Angelina album sold over 300,000 copies, where did all that money go. According to a recent report, Praye is dead broke now and they still owe their former member, Praye Tintin a hefty amount of cash. The car Praye Tietia's wife drive is said to be from an auto-loan which paying has also become a problem. Praye is currently struggling and the music is not selling nor the shows. What happened guys?
